A. W. PEARSON.

This is a good time to establish a orst-class for store in Handwin.

THESDAY

The Parker hoom was like the traditional burnlin her biggest when live

It wasn't this part of the ocean which Balbon saw when he named it Pacific.

Judging from signs, the news from Washington strikes the Sewall remnant like a Doloful knoll

Mr. Grosvenor's plan to make the Cuban planters a gift of \$25,000,000 has the merit of novelty. Perhaps it has other merits, if one could find them. Sampson wants a court of inquiry to

determine who was in command at Santiago. In his opinion somebody who didn't attend the battle should get the award.

And still Governor Dole does not receive that much-heraided "intimation" or concrete walks and baths and every thing the White House. Perhaps the fetter is held back at Washington for The Territory of Hawaii, and the Monarchy.

The Territory of Hawaii, and the Monarchy.

Treasurer Wright Vesterday.

Mr. and Mrs. Von Hamm are spending the winter in Denver, Colo., and intend returning to Honolulu in the spring. Miss Emily Halstead is also there.

spell of dry weather.

If the Oceanic Steamship Company would match the \$50 round trip rate made by the railroads between New York and San Francisco for the summer, Hawaii might have a lively tour ist season.

It is hardly likely that the United States Irish League is planning a revolution, as the dispatches say, but demonstration at the time of the crowning of the King may easily be anticipated.

The development of wireless teleg-The development of wireless telegraphy to the point where a station on the cach State and Territory as a place in each State and Territory as a place standing in front of the Cathedral on to immure the whole country's lepera the standing in front of the Cathedral on Fort street were cut down yesterday before this group would be known as the Leper Islands. That phrase would stigmatize us beyond escape. We could stigmatize us beyond escape. We could ing about overdue steamers.

A government ship running amuck in a small harbor during a kona storm is the kind of a spectacle Honolulu's commercial men do not particularly crave.

We gather from official sources it Europe that all the powers were in fa-vor of standing up for Spain as long as she had any chance, and that as soon as she was whipped, all of them were in favor of making the other fellow responsible for the original scheme.

The Aomori horror calls attention to the fact, so generally overlooked, that Japan is not all a land of cherry blossoms and chrysanthemums. In the north, where the soldiers were frozen the Wilcox bill shall not pass. the Wilcox bill shall not pass.

The opineval forest lives there and a variety of cinnamon bears and packs of timber wolves frequent it. One thinks it singular that so hardy a rare as the

sherita would be an interesting event done better himself. for Americans, owing to the friendly leterest in which our people have long held her. It is evident that royal curl onity about the United States is reaching a strenuous pitch. Before long we

The Chamber of Commerce of San Francisco and the Merchants' Exchange, by the trustees of the former change, by the trustees of the former and the directors of the latter, have passed resolutions, setting forth that because of the growth of the trade of that city with China, they petition for the passage of national legislation which will permit the unrestrained entry of certain Chinese into the United States. The class to be admitted is set them Mr. Kennedy, Mr. Ziegenfuss and forth a marchants and all members of Volcano Marshall. forth as merchants and all members of Volcano Marshall. the mercantile class, such as salesmen, clerks, buyers, bookkeepers, accountants, managers, storekeepers, bankers and cashiers. The vote was taken anonymously by card and the result was practically unanimous. This division on the Pacific Coast, as some on on the Pacific Coast, as some
